### **Citizens' tourney raises \$40,000**

Citizens Bank's sixth annual tournament to support youth programs at Button Hole Golf Course recently raised more than \$40,000 for the course, a nine-hole instructional course that provides the area's 25,000 urban youths with a place to learn basic skills and gain an understanding of the game of golf. More than 100 graduates of the Button Hole Junior Clinic played in the tournament, a scramble format with three boys' and girls' divisions: 6-9 years, 10-14 years, and 15-17 years. Each foursome was accompanied by an adult mentor who provided useful golf and tournament tips to the players. Prizes were awarded to all tournament participants.
